विविधांगी लाभ

या उपक्रमांमुळे महाविद्यालय परिसराचे सौंदर्यकरण, हिरवाई पसरलेली आहे. विद्यार्थ्यांनादेखील त्याचा लाभ झालेला आहे. तसेच यातून येणाऱ्या उत्पन्नातून मिळणारी मिळकत ही बीजारोपण तसेच विद्यार्थीहिताच्या उपक्रमांसाठी वापरला जातो. त्यामुळे या उपक्रमाचा महाविद्यालयालादेखील विविधांगी लाभ होत आहे.

महाविद्यालयात हरित पुढाकाराच्या अनुषंगाने राबविलेल्या या उपक्रमाला विद्यार्थी, प्राध्यापक तसेच कर्मचाऱ्यांद्वारे उत्तम प्रतिसाद लाभत आहे. आम्ही संस्थेच्या नावे कृषी कार्ड काढले असून बीज, उत्पादनासाठी लागणारी विविध अवजारे यासाठी कृषी संचालनालयाकडून आम्हाला सहकार्यदेखील लाभत आहे. - लवू गोवेकर, हरित पुढाकार उपक्रम प्रमुख.

VMSCL, Dhavrukh join forces to combat groundwater crisis

V M Salgaocar College of Law (VMSCL), in partnership with the environmental NGO Dhavrukh, successfully completed a groundwater conservation project on its campus. This effort is part of the Bhujal Sanvardhan initiative, which focuses on tackling the issue of groundwater depletion through sustainable water management practices. The project was carried out under the direction of Rudresh Mhamal.

The project includes the installation of a rainwater harvesting and groundwater recharge system designed to capture and store rainwater, channelling it into the soil to replenish shallow aquifers. With the capacity to recharge up to 20 lakh litres of groundwa-

ter annually, this system is crucial for conserving the vital natural resource. Additionally, it serves as an educational model, promoting water conservation awareness among students, staff, and the local community.

The project was carried out under the leadership of Principal Dr G Shaber Ali and Administrator D P Pednekar, with coordination provided by Assistant Professor Ramrai Naik and Audumber Uskaikar.

VMSCL has encouraged individuals and institutions to undertake similar initiatives, which can collectively lead to significant and environmental benefits. The college's green campus efforts have earned numerous accolades, including the District Championship Award from Edu Trust India.
