1. About Project POSH

Project POSH was an initiative of V.M. Salgaocar College of Law in association with the Goa Institute of Public Administration & Rural Development (GIPARD) and the Directorate of Higher Education (DHE) - Goa. The Project aimed at training the members of Internal Committees (ICs) of Higher Educational Institutions in the State with respect to the law and procedure relating to the prevention of sexual harassment of women at workplace.

V.M.Salgaocar College of Law mooted the idea of One Day Workshops for training the members of the Internal Committee of the Higher Educational Institutions (HEIs) in Goa under the name 'Project POSH' and submitted the project proposal to GIRARD. The proposal was approved, and GIPARD funded the project. The approved project details were sent to DHE with a request to issue circulars to the HEIs mandating the participation of IC members in the workshops to be conducted under Project POSH. Accordingly, DHE-Goa extended its support and officialised the workshop for the HEIs.

The HEIs were requested through DHE Circular to depute the Chairperson and 4 members (in the absence of the Chairperson, 5 members) of the IC of the institution to attend the One Day Workshop. The workshop duration was from 10.00 am to 5.00p, and was designed to train the IC members to understand the law and the underlying concepts, the role and functions of IC, and the procedure to be followed in case of a complaint.

Project Director: Dr. MRK Prasad, Professor of Law, V.M.Salgaocar College of Law

Associate Director: Dr. Sandhya Ram S.A , Associate Professor, V.M.Salgaocar College of Law

2. Concept Note

Equality in public employment is a constitutionally guaranteed fundamental right for the citizens of this country. Gender equality and non-discrimination are envisaged not only at the stage of recruitment, appointment, promotion, and other matters pertaining to service conditions but also encompasses a favourable working atmosphere where women are free to pursue their profession and occupation in a dignified manner.

Sexual harassment at the workplace undermines such equality, and it is incumbent on Internal Committee to oversee that the Sexual Harassment of Women (Prevention, Prohibition and Redressal) Act, 2013 (POSH Act) is effectively implemented to maintain the working atmosphere at workplace. It is a statutory requirement for every institution to constitute an Internal Committee under POSH Act. Even though IC has been constituted, the proactive role of the IC in promoting gender sensitization and the role and functions of the IC are not always comprehended and implemented effectively. Also, the procedure to be followed in case of a complaint, the responsibilities of the employers, the consequences of any non-compliance are all aspects that need meticulous understanding.

Project POSH aims to provide essential training to the stakeholders, especially the employers and Chairperson/members of the Internal Committee, regarding the law and procedure. This will go a long way towards effectively and meaningfully implementing the POSH Act, 2013, UGC Regulations, 2015 and the larger constitutional basis of substantive gender equality.

3. Objectives

- a) To enable the participants to comprehend the legal concepts, constitutional foundation and the purpose of the law
- b) To make clear the role, functions and responsibilities of the “employer” and the IC
- c) To train the participants meticulously on identifying and effectively redressing sexual harassment at the workplace, and take up measures to prevent such violations at their workplaces
- d) To sensitize the participants on the true ambit of the law and empower them to take up further awareness programs in their home departments/institutions
- e) To conduct an elaborate workshop on the practical aspects of dealing with a complaint of sexual harassment at the workplace

4. Workshop Outcome

- a) The Members of the IC will understand the statutory responsibilities vested in them and the consequences for breach.
- b) The participants will have clarity on the proper composition of IC.
- c) The IC will comprehend its proactive role under the Act, in preventing sexual harassment at the workplace.
- d) The Members of IC will understand the procedural aspects of dealing with a complaint and be able to handle the complaints.

5. The Scheme

One-day workshops on the POSH Act were scheduled at seven venues, and the HEIs in the region were requested to depute the Presiding officer and four members of their respective ICs to attend the respective workshop. DHE-Goa issued the necessary circular to 54 HEIs in Goa. The College Counselors were also requested to attend the same. The schedule is listed below:

7. Workshop Summary

Under Project POSH, 07 One Day Workshops were conducted; a total of 242 participants from 54 HEIs were trained on the concepts, substance and procedure of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the UGC (Prevention, Prohibition and Redressal of Sexual Harassment of women employees and students in Higher Education Institutions) Regulation, 2015.

Session – I mostly focused on sensitizing the participants about the concept of equality and gender justice. It also focused on the constitutional foundation of the right to equality, equality of status, employment and human dignity. Session – II focused on the Act and UGC Regulations relating to the prevention of sexual harassment at the workplace, the composition of IC and its role responsibilities in preventing a hostile workplace environment. In Session – III, the participants were given hands-on experience in receiving the complaint and conducting the proceedings of the complaint. Emphasis was made on conflict of interest, confidentiality and neutrality of the members towards the complainant and the respondent. The participants were also trained in recording the daily proceedings of the meetings in roznama, recording the evidence from the complainant, respondent and witness and finally, drafting the report. In Session -IV, with the help of simulations, the concepts that were covered in previous sessions were revisited to gauge the level of understanding of the participants learning.

j) Suggestions from participants

- a. Compulsory training for all members
- b. Training for college counselors on Posh Act required
- c. The sessions should include principals, and member of DHE
- d. Should conduct in colleges for students and all employees
- e. If we can consult any of you if we are stuck with a case, it would be good; Please provide mobile number for future assistance if any.
- f. It will be helpful if a checklist is provided to systematically implement this act in the organization
- g. It would be appreciated if more sessions are organised like this.
- h. Give each speaker more time for their presentations., Please have a two-day workshop for greater familiarity
- i. It would be great if a digital brochure is prepared on the topic for teachers and students.
- j. Would like to suggest organizers to organize such awareness programs in more numbers.
- k. Some more cases could be discussed and a day more could be allotted for the workshop
- l. We need advanced training with case specific exercise and outcomes, Repeat session required
- m. Please send colleges all circulars related to this act time to time
- n. A similar workshop on Anti Ragging in association with our college would be welcome
- o. This workshop should be conducted at the beginning of the academic year
- p. Hold sensitization workshops for general public

13. Roadmap for Project POSH

A. Post Project POSH – The Immediate Follow Up

During the workshop interactions when the composition of the Internal Committee was being discussed in the workshops, there was a wave of apprehension among the participants as almost all of them were unaware about the composition as required under the University Grants Commission (Prevention, Prohibition & Redressal of Sexual Harassment of Women employees and students in Higher Educational Institutions) Regulations, 2015. The participants ensured that they would be informing their respective Executive Authorities of the HEIs about the required composition and call for reconstitution accordingly. Taking note of this situation, the coordinator referred the matter to the Directorate of Higher Education with a request for a follow up measure by requiring the HEIs to send their IC composition details, so that it could be forwarded to Project POSH Coordinators to verify the same. If required the HEI could thereby be advised to make suitable changes for compliance with the UGC Regulations on POSH at HEIs. The proposal has been accepted by DHE and circulars are issued to the HEIs and have already received the details from several HEIs.

B. Plan of Action

The response of the participants during the workshops and through feedback is evident of the effectiveness of the workshops and the necessity of such a training that was felt by the members of the ICs. Project POSH aims to extend training sessions to other stakeholders namely,

- a. Project POSH aims to undertake a training program exclusively for the principals/heads of Institutions. This is especially important as the UGC Regulations have earmarked specific responsibilities on the HEIs. This proposal has been made to DHE and accepted in principle.
- b. Since many of the ICs are reconstituted in accordance with the guidelines, the newly constituted IC would also need to be trained on the law and procedure. Project POSH team would coordinate the workshops for this purpose and conduct the sessions, however GIPARD may organize the same at GIPARD.
- c. Extend the training program to other institutions in the following manner
Stage 1 – One Day Workshops for IC members of all the schools
Stage 2 – One Day Workshops for IC members of government departments/offices
Stage 3 – One Day workshops for IC Members of private institutions
