

ACTION TAKEN REPORT ON FEEDBACK (2018-19)

The College collected the feedback from various stake holders for the academic year 2018-19. The stake holders were students, parents and teachers. The feedback which was collected was then analyzed and the suggestions were consolidated and submitted to the IQAC for the purpose of taking action on the same. Following is the action taken on some of the suggestions from the stakeholders.

Sr. No.	Feedback	Action taken
1.	Teachers suggested that updation of reference books has to be undertaken	The ledger has been created and teachers are encouraged to write the reference books
2.	Teachers suggested jail visits, visits to the mamlatdars court ,police station etc.	The suggestions need to be looked into. The same will be referred to HRDC.
3.	Teachers suggested audio-visuals in the classroom could be improved.	the college is planning to change the LCD to smart boards. The management is communicated with the request.
4.	Students suggested that updated edition of text books should be provided them.	The librarian is instructed to procure latest edition books
5.	Need to develop advocacy skills among students	The guest lectures and certificate course regarding the same will be planned
6.	Students suggested that more project work should be included.	HRDC is asked to plan and include same in the assessment process
7.	Parents suggested maintenance of class infrastructure	The administrator is instructed to maintain the cleanliness of the classrooms
8.	Parents suggested that more community engagement be undertaken	NSS, legal aid society are already doing community service. To this we will create clinics and increase our community engagement
