The Child Rights Clinic of V. M. Salgaocar College of Law is a part of Clinical Legal Education programme of the College, which offers the **students** an opportunity to explore and specialise in the field of child law. The prime reason to join the Clinic is to learn and acquire a first-hand experience of the functioning of the juvenile justice administration in our country.

Vasanta Rao

Being part of the **Students** Council in a Law College has provided me with a platform to express my views. It has broadened my perspective in various activities and has provided me with exposure, which in turn has given me comprehensive real world experience.
