The RISE paper was unveiled after Mr. Ramrai Naik, Assistant Professor of Political Science, provided a brief introduction to the cell and outlined the activities that will be carried out through this cell. Following the chief guest's introduction, the guest speaker gave a speech in which he discussed the value of startup ideas and inspired students to become the nation's future business leaders.

Tanvi Khandolkar, the faculty member in charge of the cell, gave the vote of gratitude at the conclusion.

Food Festival 2023

On the occasion of Fun Week 2023, the Entrepreneurship Development Cell-RISE organised the "V.M.S.C. L Fair" where students, faculty, and others were given the opportunity to showcase their talents and allowed to set up any type of stalls with any kind of goods, including food, jewellery, games, and so on. The event was held on the college campus from March 1 to March 3, 2023. Ms. Tanvi Khandolkar and Ms. Shaina Dhulapkar were the faculty in charge of the occasion.

The Principal and the Administrator of our college, along with the club members, officially opened the fair. 12 stall entries were received, including ones for food, drinks and jewellery. Most of the participants from the BALLB and LLB programmes, including Ms. Vandana Sardesai, Asst. Professor in English of our college.

The participants were from the B.A.L.L.B. & LLB programme, and a faculty member had set up her stall alongside them. Cakes, barbeque, kababs, and other foods were available at the food stands. The fest was a success for the Lex Festival overall because to the positive reception it received.
